

Genesis Public School

Annual Report 2024–25

Introduction

The academic session 2024–25 at Genesis Public School was marked by enthusiasm, innovation, and holistic growth. We received the CBSE affiliation letter in the month of September last year and from this academic year we are officially CBSE affiliated school. The school continued to uphold its commitment to nurturing young minds through quality education, skill-based learning, and a balanced integration of academics and co-curricular activities. Each month brought enriching experiences that encouraged students to explore, express, and excel in various domains.

Academic Achievements

Academic excellence remained the school's top priority throughout the session. Students actively participated in assessments, periodic tests, and subject enrichment activities. The school organized academic weeks such as English Week and Hindi Week, fostering creativity and confidence in language learning. Various classroom and inter-house competitions like extempore, quiz, and calligraphy writing enhanced critical thinking and communication skills among students.

Co-Curricular & Cultural Events

A wide array of co-curricular activities were organized to ensure the holistic development of students.

- April began with activities like "Know Your School," Earth Day celebrations, and creative art sessions.
- June and July focused on health, environment, and expression through events like International Yoga Day, Vanmahotsav, and Storytelling activities.
- August featured Investiture Ceremony, Independence Day, and Vrikshabandhan—instilling leadership, patriotism, and environmental awareness.
- September celebrated Teachers' Day, Onam, Engineers' Day, and Janmashtami with zeal.
- October and November saw Diwali, Children's Day, and Guru Nanak Jayanti celebrations, blending cultural learning with festive joy.
- December to March included Christmas, Republic Day, Annual Exams, and Graduation Ceremony of kindergarten, marking a fulfilling closure to the academic journey.

Celebrations & Observances

The school celebrated important national and international days including Doctor's Day, Kargil Vijay Diwas, World Tribal Day, Hindi Diwas, National Youth Day, and Martyrs' Day. Assemblies, performances, and creative presentations helped students understand the significance of these observances and develop a sense of respect and responsibility towards society and nation.

Sports & Fitness Activities

Sports and physical fitness remained integral to the school's curriculum. Students participated in yoga sessions, drill displays, inter-house sports meets, and activities like chess and athletics. The Annual Sports Meet – Genesis Olympics showcased exceptional talent and sportsmanship, encouraging teamwork, discipline, and perseverance among participants.

Clubs & Competitions

Various inter-house competitions such as Patriotic Song Competition, Bulletin Board Display, Quiz, and Solo Dance were conducted to enhance creativity and collaboration. Thematic weeks like Cyber Security Awareness Week and Disaster Management Drills promoted life skills and digital awareness. Students showcased innovation through exhibitions, project displays, and creative art contests.

Field Trips & Educational Visits

To complement classroom learning, students were taken on educational visits to places such as energy parks, farms, factories, and libraries. These trips provided experiential learning opportunities, fostering curiosity and real-world understanding.

Professional Development & Workshops

Teachers participated in Induction training session – GURU DAKSHTA and workshops aimed at upgrading pedagogical skills and integrating technology into the teaching-learning process. Regular interactions and orientation programs strengthened the academic ecosystem of the school.

Infrastructure & New Initiatives

The school continued its journey towards creating a modern, eco-friendly, and learner-centered campus. Smart classrooms, digital learning tools, and subject-specific laboratories enhanced the learning environment. The lush green campus promoted sustainability and environmental awareness among students.

Parent Engagement

Parent-Teacher Meetings (PTMs) were conducted at regular intervals to review students' progress and strengthen home-school collaboration. Parents actively participated in school exhibitions and celebrations, reinforcing the partnership essential for the child's overall development.

Conclusion & Future Vision

The session 2024–25 at Genesis Public School was a successful blend of academic excellence, cultural celebration, and moral development. The school aims to continue fostering responsible, confident, and compassionate learners who are prepared to meet future challenges with determination and integrity.

As Genesis Public School moves forward, it remains steadfast in its vision of Education for Enlightenment and Excellence.
